Email: syogeshwaran2005@gmail.com | Phone: +91 6374911893  
Address: Madurai, Tamilnadu

## EDUCATION

**B.E.COMPUTER SCIENCE**  
**MANGAYARKARASI COLLEGE**  
**OF ENGINEERING, PARAVAI**  
CGPA -8.95      2022 - 2026

## SKILLS

- Technical Skills:** Python (Pandas, NumPy, Matplotlib, Seaborn), MySQL, Power BI
- Soft Skills:** Analytical Thinking, Problem-Solving, Attention to Detail, Collaboration & Teamwork

## CERTIFICATES

- Data Analyst Intern –** NoviTech R&D Pvt Ltd, March 2025
- Python for Data Science –** CognitiveClass.ai, January 2025
- HDCA -** Tamilnadu computer science college, July 2023

## ACHIEVEMENTS

- Project Expo '25 –** Won First Prize, February 2025
- Coders club at MCE –** President Role, March 2025
- TECHBIZ 25 -** An Intercollege Symposium at Sethu Institute of Technology, February 2025

## PROFESSIONAL SUMMARY

Motivated and detail-oriented Data Analyst with expertise in SQL, Python, Power BI, and Tableau. Adept at developing meaningful strategies, optimizing processes, and improving operational efficiency. Passionate about leveraging analytical skills to solve business challenges and support data-driven decision-making. Seeking to contribute to a Data Analyst role by delivering insightful analytics and innovative solutions.

## PROJECTS

- GENDER AND AGE DETECTION  
USING PYTHON-OPENCV**      3/2025
- Developed a machine learning model to predict human gender and age using OpenCV.
  - Implemented the model to produce a range of values as output (e.g., Age 20-25).
  - Collaborated with two team members and a mentor to enhance model accuracy.

## WORK EXPERIENCE

- DATA ANALYST INTERN**      3/2025  
NOVITECH R&D PVT LTD | MARCH 2025
- Gained hands-on experience in data analysis, visualization, and reporting.
  - Utilized Python and SQL to process, clean, and analyze large datasets.
  - Created interactive dashboards in Power BI and Tableau to present insights.
  - Assisted in identifying trends and providing actionable recommendations to improve business operations.

## ADDITIONAL INFORMATION

- Strong ability to translate complex data into actionable insights.
- Experience working with large datasets and creating meaningful visualizations.
- Passion for continuous learning and staying updated with the latest data analytics tools and techniques.
